Weirton- No decent coffee on campus, vending machine issues, lack of cleanliness of food/vending areas. The bookstore now will only be opened at the beginning and end of the

semester; now a “pop up” store. Now with the bookstore closed it is one less option to buy refreshments and snacks if you don’t have cash or change for vending. Vending machines are not stocked adequately. Christmas party, went good. Unable to play music due to difficulty locating radio. Pinterest series was a success.

Wheeling- Christmas party went well, good food. Pinterest series also a success.

New Martinsville- Christmas party had a good turn out and Pinterest was a success also.

Committee Reports

No reports.

Club Reports

SCARSI- Received t-shirts and they have received good feedback. Working on spring dates for SCARSI meets. Also planning on having a group photo taken in the shirts and having them printed on bookmarks and posters.

Rad Tech- went to WVSRT conference in November: one student took home 3rd place in and essay contest, and a student was recognized by the WVSRT President for accomplishments.

Phi Theta Kappa- Induction ceremony December 2. Regional President and Vice President attended.

Computer Club- No LAN party until January. Group project for a computer club website successful; encouraged to speak to college to make it “official.”
