

**Four-Installment Financial Agreement With
West Virginia Northern Community College**

Term: _____

IMPORTANT: 25% DOWN PLUS \$20.00 FEE DUE AT SIGN-UP

I, _____ agree to pay the incurred tuition and fee charges in **FOUR** installments over the course of the semester. *I understand that even if I totally withdraw from courses, I am not exempt from meeting the terms of this payment agreement.*

My total amount owed may be adjusted to reflect the tuition refund policy upon a *total and official withdrawal* and I may make modified arrangements to pay off the total amount of my bill by the final due date listed. I understand that administrative withdrawals (AW) are not considered "official" withdrawals and I will be responsible to pay for any tuition and fees assessed for courses from which I have been registered and been administratively withdrawn. If I am paying an amount on my bill in excess of financial aid, I understand that I will have to speak with financial aid about any matters that pertain to my funding and related to their department. If I drop less than all of my courses, I understand that my partial withdrawal is *not* subject to the Tuition and Fees Refund policy and I will pay the cost of the course. If I become delinquent on my payments, a financial hold may be placed on my account prior to the final payment deadline.

I realize that all college services, such as academic records, grades, diploma, transcripts, and certificates may be placed on hold until this financial obligation to the college has been met.

If I fail to abide by the terms of this agreement, my account will be turned over to a collection agency and I will owe the remaining balance of the account and any and all fees assessed by the collection agency.

I have read the above financial agreement and understand the responsibility I am entering into with West Virginia Northern Community College.
